Jandowae Hotel Motel

32 High Street, Jandowae, QLD 4410

YOU NEED A LIFE CHANGE, AND WE NEED A BREAK

The hard yards have been done and for the last ten years, we have owned the Hotel and we are slowly bringing into today's comforts whilst still maintaining the old tradition of its former glory.

It has a bright atmosphere which is an extension of our characters - bright and breezy.

It has a good solid local trade and caters well for the traveller and worker, as well off street parking for group bookings of clubs that travel throughout the year.

The past ten years has created a lot of return visits from various groups from Motor bike groups, fishing clubs, workers, car clubs and events held in the hotel, town and district, which in turn offers a steady income stream.

Key Features

- Multiple income streams
- Suit couple plus casual staff or (backpackers)
- 15 accommodation rooms plus residence
- 30kw solar system to offset power costs (batteries for storage to come)
- Full support and assistance from owners. (we want to work with you not against you)
- Ongoing restoration work throughout hotel by owner or contractors (no additional costs to lessee)
- This hotel has been very good to us over the last ten plus years in will be into the future.
- Highway frontage
- Jandowae has all the facilities that Dalby has 30 minutes away and is expanding them.
- We are prepared to negotiate any length of lease to suit
- Cash in with the Coopers Gap wind farm project just starting in 2018.
